Audible Studios on Brilliance, 2016. CD-Audio. Condition: New. Unabridged. Language: English . Brand New. R. A. MacAvoy is a truly gifted author who has no need to rely on the conventions of the science fiction genre in order to hold the listener's attention. Her highly original debut novel, *Tea With the Black Dragon*, combined elements of mystery and fantasy along with a fascination with computer technology, and was highly praised by critics, while her *Lens of the World* trilogy appeared on many best of the year lists in the national news media. In this sequel to *Tea With the Black Dragon*, Mayland Long is once again thrust into a maelstrom of mysterious happenings. The peaceful relationship he has established with Martha Macnamara is being threatened. A wild psychic force is loose in the world, while Martha's granddaughter has been kidnapped and one of her Celtic musician friends has been found dead, hanging by a rope of twisted grass. Now the Black Dragon must use his wits to hunt for the killer, even if it brings him to a horrifying realization.
