In this book, two leading data management visionaries reveal how data transforms the way you do business, the technologies you use, the investments you make, the life you live, and the world you live in. Chris Stakutis and John Webster draw on interviews with nearly 50 leading experts: technologists, sociologists, entrepreneurs, consultants, researchers, media leaders, and futurists alike. You'll discover how today's 'primordial soup' of wired and wireless gadgetry is quickly coalescing into something immensely more powerful, driving applications you thought were pure science fiction. 304 pp. Englisch.
