John Wiley Sons Inc, United States, 2006. Hardback. Condition: New. Annotated edition. Language: English . Brand New Book. Distinguishing between religion and spirituality, Burke offers what he calls a new way of looking at God, one centered on the idea of grace. He emphasizes a God who is looking to save the world, not a God who seems more intent on condemning certain practices .For Burke, God is to be questioned, not simply obeyed. His challenging thesis will appeal to many people today who have given up on organized religion but still seek some connection to spirituality.
