Createspace, United States, 2013. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.The Unofficial Guide to the Beers of Middle-earth is my way of bringing the world of Middle-earth to life. By imagining and brewing the beers that might have been brewed and consumed by Tolkien s characters I have created a piece of that world for myself during the past 25 years. I would like to share what I have created with you. This book is a great addition to the recipe collection of any brewer and is even suitable for beginners. It is not a book that teaches brewing.
