Saraband, United Kingdom, 2018. Paperback. Condition: New. Language: English . Brand New Book. Northern Britain, Iron Age. Rian, a carefree young woman and promising apprentice healer, is enslaved by a spiteful trader and forced aboard a vessel to embark on a perilous sea voyage. They are in search of the fabled hunter known as the Walrus Mutterer, to recover something once stolen. The limits of Rian s endurance are tested not only by the cruelty of her captor, but their mysterious fellow passenger Pytheas The Greek - and the merciless sea that constantly endangers both their mission and their lives. A visceral evocation of ancient folklore and ritual, The Walrus Mutterer introduces an unforgettable cast of characters in an extraordinary, vividly imagined Celtic world.
