Lulu.com, United States, 2016. Paperback. Book Condition: New. 210 x 148 mm. Language: English . Brand New Book ***** Print on Demand *****.Dog parks are a big thing now and a great place to meet other dog lovers. It is also a great place to socialize your dog, but you need to realize that when it comes to a person s pet, that person can be very protective and sensitive about how their dog is treated by anyone else. This is where my almost famous words come into play and ring out so true, there is a fine line between anal and a**hole . If something is done wrong or misconstrued, tempers will flare and words will fly. I believe that if everyone follows this guide and respects one another, they can have a great time at the dog park. I have been taking my dog Max to the dog park since he was 6 months old. He is now 11 1/2 years old and it is still his happy place. He still gets excited to go. Dogs love to socialize and meet their own kind, and they enjoy it more if their owner is relaxed, having a good time and more involved with them. When you re at the dog park, this is their special time.
