ROBOT FUTURES (HARDBACK)

MIT Press Ltd, United States, 2013. Hardback. Condition: New. Language: English . Brand New Book. A roboticist imagines life with robots that sell us products, drive our cars, even allow us to assume new physical form, and more. With robots, we are inventing a new species that is part material and part digital. The ambition of modern robotics goes beyond copying humans, beyond the effort to make walking, talking androids that are indistinguishable from people. Future robots will have superhuman...
