Reviews

It is really an incredible publication which i actually have possibly read through. It really is writter in easy phrases and not confusing. Once you begin to read the book, it is extremely difficult to leave it before concluding.
(Jodie Wehner)

A DICTIONARY OF LITERARY TERMS (YORK HANDBOOKS)

DOWNLOAD

Longman. Paperback. Condition: New. UNUSED, VERY GOOD, NOT EX-LIBRARY, bend in cover, 1st edition, 240 pages. What distinguishes realism from 'classic bourgeois' realism and magic realism? How does a Shakespearean sonnet differ from a Spenserian or a Petrarchan sonnet? Who were the Cambridge Critics, the Graveyard Poets and the Tribe of Ben? The answers to these and many other literary questions are provided in this expanded and updated edition of Martin Gray's much-acclaimed Dictionary. Wide in scope, it explains concepts and topics that range from the familiar to the comparatively esoteric and that cover such fields as literary movements (Neoclassicism, Romanticism, Imagism), genres and sub-genres (tragedy, elegy, roman a these), technical language (anapaest, synecdoche, hamartia), and schools of literary theory (structuralism, deconstructionism, feminist criticism). The result is a clear, lively and informative guide through the bewildering maze of literary terminology, and one that will enhance the reader's enjoyment of literary studies. --This text refers to an alternate Paperback edition.
