## OPEN SOURCE MODERN HORARY ASTROLOGY: TIPS, TECHNIQUES BEST PRACTICES FOR A 21ST CENTURY APPROACH

Alca Publishing. Paperback. Condition: New. 278 pages. Dimensions: 10.9in. x 8.5in. x 0.7in. Synthesize Your Astrological Knowledge Into Fast, Easy and Accurate Horary Interpretations! Don't struggle to learn horary astrology using archaic traditional methods! Open Source Modern Horary Astrology presents a simple, accurate, and easy-to-understand technique without a gigantic (and unnecessary) learning curve. Accessible to everyone already possessing a fundamental understanding of astrological basics, if you can read a natal chart, you can read a horary chart quickly, easily and accurately. Extensively researched and packed with clear explanations, examples and case studies, this progressive book will show you: The inherent core structure of horary interpretation. What to look for in a chart, why, and how to compile the information into a correct answer. Cheat sheets and horary axioms to help you stay on course, and not get lost in trivial minutiae or overanalyzing the chart. A special section on relationship horary astrology, the most commonly asked type of question. The top ten mistakes horary practitioners make, and how to avoid them. How to integrate the full solar system in chart interpretations. An open source approach, rather than blindly following someone else's rules or methods. Verifiable case studies, demonstrating the veracity of the technique. A scientific, factual, empirical, reality-based approach, rather than an ideology- and philosophy-based, proprietary methodology. The harmonious reunion of contemporary astronomy with horary astrology. Via this revolutionary and comprehensive text, learn how to think about and interpret a horary chart, rather than what to think. You, too, can successfully break every rule ever written by Lilly, Ptolemy, and other traditional horary astrologers, and arrive at correct answers. This groundbreaking work will clearly and concisely show you how. This item ships from multiple locations. Your book may arrive from Roseburg, OR, La Vergne, TN. Paperback.
