SNAKE LIKE CHARMS (PAPERBACK)

UWA Publishing, Australia, 2017. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. Amanda Joy s first book Snake Like Charms was five years in the making. It s grounded deep in reality as are the snake cultures and legends it draws from. According to Indigenous song-cycles, a snake literally created this country. These lines from the poem `Your Ground carry their wisdom lightly snake says / be still / stand your ground / it the only protection we have . It contains wonders, `Carnaby cockatoos feeding on wild radish in low grass , the erotic nature of a Blue Butcher Orchid `made flesh , a poet gardener who is aware of `the unseen deadline of morning like a tongue into a mouth/ stroking language . There is rich onomatopoeia in many lines: `Lumped gullet/ of migratory birds/ all algae and insects , and there s this lovely image of a `Whelked helical of coral pink . One feels the pain as you read this phase: `an oracular migraine . Anyone who has lived in Australia will recognize Joy s `artillery of cockatoo cries . There is danger everywhere, along with comedy on days when Cane toads storm the Kimberley. There is great empathy for the people who...
