Overdue Books. Paperback. Condition: New. 138 pages. Dimensions: 11.0in. x 8.5in. x 0.3in. This book is the result of a study I began during Easter 1986. It was then that I made my first earnest attempts to study the events in the New Testament surrounding the last days of the mortal life of Jesus Christ. I wanted to fold together the story of the Passion as told through the gospel accounts so as not to miss any of the precious details. The gospels according to Matthew, Mark, Luke, and John each provide unique details about the events leading to Jesus's death and resurrection. My goal in this book is to: (1) identify and highlight the unique details from each of the gospels relating to the Passion, (2) to unify that material, and (3) to present my findings in a tabular format so that details could be easily distinguished. This item ships from multiple locations. Your book may arrive from Roseburg, OR, La Vergne, TN. Paperback.
