

Wooden Box and Crate Construction (Classic Reprint) (Paperback)

By Forest Products Laboratory

Forgotten Books, 2017. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. Excerpt from Wooden Box and Crate Construction The National Association of Box Manufacturers is an organization of the leading manufacturers of wooden boxes of every section of the country. Many of its members also make other types or kinds of boxes, but the association confines its activities to the interests of the wooden box. The association aims to promote all projects of genuine interest to its members; to obtain a unity of action in matters affecting the wooden box industry; to advertise properly the merits of wooden boxes, and to be, in fact, a constructive influence in the improvement of conditions in the industry and better service for consumers. And by the same token the association stands guard against any project or practice which may, in any way, bring wooden box service into disfavor or disrepute.
