

## Elisa Facing the Sea (Paperback)

Filesize: 2 MB

### **Reviews**

*Extensive guideline! Its such a great go through. It is definitely basic but surprises in the 50 % of the pdf. It is extremely difficult to leave it before concluding, once you begin to read the book.*

Createspace Independent Publishing Platform, United States, 2016. Paperback. Condition: New. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*. Elisa Facing the Sea is a story of loss and reunion, love and friendship, rejection and acceptance. A book that talks about the first love, of our own acceptance and also by others; of longings and hopes, heartbreaks and disappointments, of pain. The novel begins when two women meet again on the top of a cliff after eighteen years of absence. The past linking these two women, Nuria and Elisa, is built on love, relinquishment, and pain. Their meeting will mean the return to that lost past, their teenage years, their relationship and the people they left behind. In spite of the years, they could not forget each other, leading to this encounter that will allow them a second chance. \*\*\*\*\* Totally recommended. An incredible book, full of feelings and emotions, a story that stays in your mind for a long time. Everyone should read this book to understand the pain of homophobia, intolerance and sexist violence. Susy This is the English translation of Garcia s 2013 novel Elisa Frente al Mar , and I am thrilled that the work is now available to a wider audience as a result because this book is a truly wonderful piece of story writing that deserves to be read by as many people as possible. The story centers around three women. Nuria narrates the tale, in the first person. She is forty-three, an out lesbian living in an unnamed small town in Spain. However, she hasn t always been so proudly out, and that is one of the main themes of the story. Valeria is Nuria s best friend, and they have known each other since school. Valeria is wild, outspoken and...
