Createspace Independent Publishing Platform, United States, 2009. Paperback. Condition: New. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.I am from the hybrid generation that turned dodgeball into basket-dodge, that embraced Nirvana and 90210, that worshipped our slacker Gen-X upperclassmen but avoided death and flannel. We were born in the late 1970s and early 1980s, and didn't really have a decade that defined us. We were in Kindergarten when the Challenger exploded, in college during Columbine, and just coming into our own as adults when September 11th rocked us all. I still miss my friend Paul. We looked at Nintendo with true awe and wonder, and stayed home sick to watch The Price Is Right and Press Your Luck. No Whammies No Whammies Big Bucks and STOP. This is my story, and probably pieces of yours, in Half A Lifetime More Or Less.
