Createspace Independent Publishing Platform, 2016. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.There are many aspects to running a successful practice. In addition to being the healthcare provider, your patients are also depending on your ability to manage your practice well. This includes giving your staff the guidance they need to perform well, maintaining an updated and pleasant practice environment, and also planning for the future of the practice. The Art of Management: Practical Advice for Practice Owners gives easy to implement solutions on team building, marketing, leadership and more! The book is written in a way that allows you, as the practice owner, to look at an idea, and quickly work out a simple and most importantly, EASY way to make improvements to your practice, one step at a time. This book is perfect for anyone responsible for running or managing a healthcare practice. The articles in the chapters contain easy-to-read, down-to-earth advice and real examples for dealing with the daily trials and tribulations of running a practice. Humour is sprinkled throughout to make it easier to take in the information and to keep the subject of management light and fun.
