

The School for Scandal (Classic Reprint)

Filesize: 6.01 MB

Reviews

Comprehensive guideline for ebook fans. I have read and i am certain that i am going to going to go through yet again yet again down the road. You wont truly feel monotony at whenever you want of your own time (that's what catalogs are for concerning when you check with me).

(Keegan Abernathy)

THE SCHOOL FOR SCANDAL (CLASSIC REPRINT)

Forgotten Books, United States, 2015. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.Excerpt from The School for Scandal In editing this comedy, I have reprinted, with slight abbreviations, the biographical sketch of Sheridan written by Professor Joseph Quincy Adams, Jr., Ph.D., of Cornell University, for his edition of The Rivals, published in the Riverside Literature Series in 1910. For several pages in the account of English Sentimental Comedy, I am indebted to Professor Thomas H. Dickinson of the University of Wisconsin. The passages from Mr. Walter Sichel's writings are quoted by special arrangement with him. The notes are the result of my own research except where specific acknowledgments are made. I am indebted especially to the work of Professor Brander Matthews of Columbia University, Professor George Henry Nettleton of Yale University, Mr. George A. Aitken and Mr. Calvin S. Brown, earlier editors of the Dramas of Sheridan. To Mr. Thomas G. Goodwin, formerly Instructor in English in the Massachusetts Institute of Technology, I wish to express my thanks for many helpful suggestions, for a final examination of the complete manuscript and for assistance in reading the proof. The text here printed follows the version adopted by Thomas Moore for the edition of Sheridan's Dramatic Works published by him in 1821. This has ever since been accepted as a definitive version, yet it does not appear to have been reprinted with complete exactness by other editors who have prepared the comedy for students reading. About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books. Find more at This book is a reproduction of an important historical work. Forgotten Books uses state-of-the-art technology to digitally reconstruct the work, preserving the original format whilst repairing imperfections...
