Createspace Independent Publishing Platform, 2017. Paperback. Condition: New. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.The town lay sprawled over half a square mile of alkali plain, its main Street depressing in its width, for those who were responsible for its inception had worked with a generosity born of the knowledge that they had at their immediate and unchallenged disposal the broad lands of Texas and New Mexico on which to assemble a grand total of twenty buildings, four of which were of wood. As this material was scarce, and had to be brought from where the waters of the Gulf lapped against the flat coast, the last-mentioned buildings were a matter of local pride, as indicating the progressiveness of their owners. These creations of hammer and saw were of one story, crude and unpainted; their cheap weather sheathing, warped and shrunken by the pitiless sun, curled back on itself and allowed unrestricted entrance to alkali dust and air. The other shacks were of adobe, and reposed in that magnificent squalor dear to their owners, Indians and Mexicans.
