Black Wolf Edition Publishing Ltd, United Kingdom, 2017. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. Touching, unexpected, revealing short stories about life experiences shown with realism, sarcasm and personal touch. The reader will find himself as an external viewer or the principal character of each story. The book cover is created by Fabio Perla with sanguigna pencil on wood. The work was born from the inspiration of the stories contained in the book of the same name. The hand represents the profound soul of the human being that contains all the state of mind (the eye) we live everyday in the path of our life. The life is like a circus full of strong emotions, attractions but also tensions and fears. The lock and the key are the connection between our soul and the real life. (The Editor) Amazing, incredible and soul destroying things happen to us all. We can get so caught up in chasing glory and fame that we forget how magical everyday life is. This book is about love, death, young mums, breakups, feminism and more. It is about the amazing things that happen to us every day. Welcome to The Everyday circus. Erin May Kelly (Writer).
