New York Times and USA TODAY Bestselling author of Science Fiction, Urban Fantasy, and Paranormal Romance brings another action, adventure, and suspense-filled story to transport readers out of this world. Born prematurely, Christoff wasn't as big or as strong as his older brother or the other younglings in the village. Unable to fit in, he does the best he can, helping his father and mother on their farm. His life changes when the mountain near their farm awakens. Believing he is the only one who can quiet it, he retreats to the mountain to watch over the village that shunned him. A hermit for centuries, he dreams of the day he can move on to his next life; a life that he hopes will give him a chance of finding his true mate. He knows his time has come when the mountain begins to tremble again. What he doesn't expect is a group of younglings who suddenly appear in the hopes of saving a thing called Christmas. When the mountain erupts, he never expects to awaken on a strange planet light years away, or to meet an unusual woman who sees beneath his deformity to the warrior hidden within. Can the love of a special woman and her family heal Christoff's tortured soul? Find out what happens when the Goddess Aikaterina gives The Old Dragon his very own special Christmas.
