Check with the seller before completing your purchase. Kirk Trigsted, Kevin Bodden, and Randy Gallaher revolutionized developmental math when they created Intermediate Algebra, a completely clickable eText written from the ground up within MyMathLab (R). Recognizing that today s students have a tendency to jump straight to the homework instead of reading the text, Kirk Trigsted created an online learning environment that is a seamless mix of exposition, videos, interactive animations, tutorials, and assessment. This approach leverages the power of MyMathLab and leads students to interact with course materials and...
