Createspace Independent Publishing Platform, United States, 2015. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.Donald Trump is the only candidate for President who can think outside the Box. for Updated Information. If this is not the year for someone to take control of the American system - who can think outside the box - I ll eat a bug. Donald Trump is the only candidate who can guide us through the horrible impact of total United States Government bankruptcy which is coming in the immediate future - only because Trump has already gone through bankruptcy three times and not only survived - but prospered. Learn how We The People of this great country must not only survive but also prosper in the new version of America - America 2.0 Inc. presided over by the greatest and strongest President of any Corporation in history. When we incorporate the United States and elect competent Presidents and other chief executives we will no longer become an indigent nation asking the rest of the world for hand-outs as is the case now. More importantly - We The People of this great nation will also instantly become shareholders in the greatest economic engine of all time, the American Economy owned by the shareholders and with a mission to return to shareholders the greatest dividend payouts in history - based on the business acumen of those we elect as our corporate officials. When they perform poorly and our dividends are decrease - like Mr. Trump says You re Fired. We move on to new management and the corporation flourishes or declines based on the new board of leadership. In this way, a government can succeed and not only bring a lasting peace to the world...
