By Roman de la Parra

Palibrio, United States, 2013. Paperback. Condition: New. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.Abyss of Insanity is a collection of poems with anti-poetic warp, with descriptive texts written in fragments to add rhythm and speed. Rich in images, it clearly represents the kind of poetry of the author. Recounts a moderate degree of retrospective nostalgia, showing passages and characters like a casual passerby that maybe wronged his path. That does not stop and does not interfere in the events. The author is only a makeshift photographer and opportunistic in his neighborhood every day, and why not, of its own existence. Without makeup the reality, he offers little stories in which not unlikely any of us were involved. Margarita Carvajal.
