Createspace Independent Publishing Platform, United States, 2016. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. Cancer. The terminal diagnosis paralyzes Catriona. Both saved and imperiled, she must navigate a new, immortal life as mate to the Captain of the Seelie Palace Guard. In obedience to the oracle's command, Thelan abducts a human woman and takes her to the Deepwood where she is unmade and remade by ancient magic. Thus given his mate, he quickly finds himself enamored of her spirit, intelligence, and uncommon beauty. She arouses his passion and challenges both his control and authority at every turn. Thelan needs to win the heart and trust of this untraditional female whom he's determined to keep and protect from those who covet control over the moon-born's legendary influence. Catriona resents the lack of choice. She also resents not knowing the rules that now govern her life in this realm of myth and impossibility. Forging her own path and upsetting ancient tradition, she befriends the mysterious archivist, learns to live in a sentient palace, talks to dragons, and discovers a puzzling attraction to cats. And she must come to terms with the handsome and powerful fae male who claims her as his own and stirs her blood like none other.
