Pontiac High Performance Firebirds, 1982-88

By -

Brooklands Books Ltd, United Kingdom, 1988. Paperback. Book Condition: New. 268 x 196 mm. Language: English . Brand New Book. These are the third generation Firebirds, instead of shameless muscle it is all high tech and came in three forms, a base model, the SE and the Trans Am. The body design was the selling factor, good looking and aerodynamic and powered by the GM 305 cu in V8. Annual improvements kept the sales up and after more than a decade from the end of the muscle car era came the realization that these performance cars were far more sophisticated and out performed the originals in every way except acceleration. The general opinion was that this was a fun, but economical, car. This is a book of contemporary road and comparison tests, new model introductions, driver s reports, technical and specification data. Models covered include: - Trans Am, MSE, S/E, Super Duty Firebird, HO, Super Trans Am, L69, GTA, Formula.

Reviews

This ebook is definitely not simple to begin on reading but really enjoyable to read through. This really is for all who statte that there had not been a worth reading. You may like how the author publish this ebook.

-- Demetrius Buckridge

This book may be really worth a read through, and a lot better than other. It is really basic but excitement inside the 50 % in the pdf. I realized this pdf from my dad and i encouraged this publication to learn.

-- Curtis Bartell
