Martian Cantina, United States, 2015. Paperback. Book Condition: New. 203 x 127 mm. Language: English . Brand New Book ***** Print on Demand *****.Shapeshifting cats in space! A novella of mistaken identity. 300 years ago, Earth was destroyed, but the Terrans aren't giving up. Maya Qaitra is a special type of Terran, created to sniff out biologically compatible species. But Maya's talent comes with a hefty cosmetic price: half the time, she looks like a mountain lion. On a space station over the planet Elsajh, she's mistaken for a local shapeshifter and goes with the flow. After all, how better to observe a new species and culture? While impersonating her alien look-alike, Maya stops an invasion and becomes a populist hero. Sure, that seems great, but her mistaken identity stirs trouble for her and her doppelganger. If she's not careful, she could get her whole species banned from Elsajh forever.
