Virgin, a nutritionist and celebrity fitness expert since 1987. JJ was the author of the extremely popular book, The Virgin Diet, which is the basis for this book. If it wasn't for her, this book might never have gotten into the pipeline. The weight-loss industry has become a multi-billion dollar venture with enterprises, medical field-experts, and nutritionists struggling to get the biggest slice of the profits. In this race for fame and fortune, some people actually work to make a product that would last a long time while many produce a one-time thing that will waste the consumer's money and health. The Virgin Diet is the former of the two cases. It is a tried and tested diet that will shave off extra pounds from your body using a systematic approach. So before you move on to forthcoming chapters, you must be absolutely focused and sure that this diet will work, as mental awareness is as important as the physical one! Assuming that you are new...
