

## Handbook of School Mental Health: Research, Training, Practice, and Policy (Hardback)

By -

Springer-Verlag New York Inc., United States, 2013. Hardback. Condition: New. 2nd ed. 2014. Language: English . Brand New Book. With so few therapeutic outlets readily available to young people, schools have evolved into mental health centers for many students. Yet schools are hampered by limited access to resources needed to provide mental health promotion, prevention, and intervention services. Like its acclaimed predecessor, the Second Edition of the Handbook of School Mental Health offers ways for professionals to maximize resources, make and strengthen valuable connections, and attain more effective school-based services and programming. At the same time, the Handbook provides strategies and recommendations in critical areas, such as workforce development, interdisciplinary collaborations, youth/family engagement, consultation, funding, and policy concerns, summarizes the state of current research, and offers directions for further study. Chapters model best practices for promoting wellness and safety, early detection of emotional and behavioral problems, and school-based interventions for students with anxiety, depression, attention deficit hyperactivity disorder, and other common challenges. In spotlighting this range of issues, the contributors have created a comprehensive game plan for advancing the field. Among the Handbook's topics: Pre-service training for school mental health clinicians. Cognitive-behavioral interventions for trauma in schools. Increasing parental engagement in school-based...

### Reviews

*This book is definitely worth acquiring. I have gone through it and so I am certain that I will likely to read through again in the future. It's been printed in an exceptionally basic way in fact it is only after I finished reading this publication in which it actually altered me, changed the way in my opinion.*

-- **Andres Bashirian**

*Comprehensive guide for publication fanatics. This really is for all who state there had not been a well worth reading through. I discovered this ebook from my dad and I encouraged this book to find out.*
