To start with, are you surprised the book is titled How to Get a Job ? At first glance, this is a hackneyed topic (maybe). And if you are to read this book for an interview, would you like to get the job? Everything we do in life is to obtain our desired work. Simplicity and effectiveness in this approach guarantee your success in the interview. In practice, you are not dealing with a regular book on job interviews. It is a compact, practical guide for those who strive to achieve success in an interview and get the desired job. By means of this book, you will understand your strength, through your actions, in such a purposeful way...
