*Merely no terms to spell out. We have read through and i also am confident that i will gonna read yet again again in the future. You will not sense monotony at anytime of your own time (that's what catalogs are for about should you question me).

His name invokes fear in the hearts of the smallest children, the bravest warriors, and the wisest sages. Like a malicious cat, the lich toys with all who stumble into his maze, tormenting them with strange puzzles and obscure riddles, monsters and demons, weird traps and dangerous magics. All who enter the crypt of Lyzandred find themselves scarred with his rune, proof of their visit - and of their folly. But there is a method to the madness of Lyzandred, a purpose to his twisted games. If you're lucky, you might even live to learn about it.
