Reviews

It is great and fantastic. I actually have read and so i am certain that i am going to going to go through once again yet again in the future. I realized this ebook from my dad and i encouraged this book to find out.

Not illustrated. 1901 Excerpt: .again activities must precede any attempts at education; that is to say, the pupil must feel the necessity for brain-functioning of some kind. The teacher then takes the tide of nervous impulses at the flow, and the, result will be proportionately satisfactory. Considering the many new psychic influences that are beginning to arise as the pupil approaches puberty, it is evident that only the most skilful management will succeed in inducing him still to submit to guidance, and consequently any authority must be veiled as much as possible. Athleticism will still be a valuable adjunct to the more scholastic duties, and afford a safe outlet to the new emotions characteristic of that period of life. A word in passing may be said on behalf of the pupil-teacher. Is it likely to be conducive to his best mental development that ho should be subjected to the weariness and monotony of long school hours and the correcting of exercises 1 After this exhaustion of energies is he likely to resume his own studies feel ing that activities must always be prior? A little practical exercise in the methods of teaching is doubtless good, but it should be for the sake of the benefit to him personally, and not because his energies are being turned to a useful account by any Government department or the principal of any educational establislunent. He should be looked upon as a student, and treated as such until he has passed an entrance examination...
