

## Change in the Weather: Weather Extremes and the British Climate (New edition)

By Philip Eden

Bloomsbury Publishing PLC. Paperback. Book Condition: new. BRAND NEW, Change in the Weather: Weather Extremes and the British Climate (New edition), Philip Eden, 'It is extraordinary what a sadistic old crone Mother Nature is when you think about it. Even in a comparatively benign climate like ours: we have gallons of water thrown at us at regular intervals, we can be thrown half way across the country by winds gusting to 100 mph or more, blankets of fog may hide practically everything familiar from view, and we run the risk of being blasted into next week by a million-bolt of lightning. And on occasion she will even launch an artillery barrage of solid ice missiles at 50 or 60 mph - in other words hailstones - or utterly transform the landscape under a six inch layer of snow'. In such language, Eden sets the tone for his new book. He now investigates further the extremes of weather we experience and the dire consequences for farmers, builders and above all insurance companies who live by a calculation of actuarial risk. Many of us have become disconnected from our climate, writes Eden. However bizarre weather events may seem at the time, there...
