Paraclete Press (MA), 2014. Hardback. Condition: New. Language: English . Brand New Book. In her memoir, Flunking Sainthood, Riess failed twelve different spiritual practices over the course of a year but discovered to her surprise that even the ones she failed most spectacularly taught her something important. In this beautiful daily devotional, readers who want to go deeper into the twelve spiritual practices will find 365 days of guidance, arranged according to monthly practices such as gratitude, generosity, prayer, Sabbath-keeping, and hospitality. Each day includes a short scripture verse, an inspirational reading from a contemporary or classic spiritual thinker, and a brief prayer, reflection, or follow-up action related to the day's theme. These daily devotions help readers understand that spiritual growth is a lifelong journey without a fixed destination--and that there is great compassion for all of us who are flunking sainthood.
