The Annunciation (Hardback)

By Larry Hart

Wipf Stock Publishers, 2017. Hardback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.The Annunciation is an in-depth look at how the Christian message can be communicated in a way that is comprehensible to the postmodern world and yet remain within the classical faith. Larry Hart engages us in a most interesting conversation with ideas presented from a wide variety of sources. His conclusion is simple and wise: Effective evangelizers are those who have had a personal experience of God's power and presence, and who become witnesses to that experience through story. Hart models what he encourages his readers to become--deeply spiritual, well-informed people who share their stories with others. --Margaret Nutting Ralph, PhD, Director of Pastoral Studies at Lexington Theological Seminary; Instructor, St. Meinrad School of Theology; author of *And God Said What?* and *Why the Catholic Church Must Change: A Necessary Conversation* It is hard to write a book these days about evangelism, especially for an audience of Mainline Protestants and progressive Catholics. Yet this is what Hart has succeeded in doing. Taking seriously the objections to traditional faith, he offers a new way of thinking about evangelism and engaging in apologetic conversation....
