HarperCollins Publishers Inc, United States, 2017. Paperback. Condition: New. Language: English . Brand New Book. From the USA Today bestselling author of the Hope River series comes a new contemporary midwife novel. Say goodbye to your old life, and hello to the life you've been waiting for. Midwife Clara Perry is accustomed to comforting her pregnant patients, calming fathers-to-be as they anxiously await the birth of their children, ensuring the babies she delivers come safely into the world. But when Clara's life takes a nosedive, she realizes she hasn't been tending to her own needs and does something drastic: she runs away and starts over again in a place where no one knows her or the mess she's left behind in West Virginia. Heading to Sea Gull Island—a tiny, remote Canadian island—Clara is ready for anything. Well, almost. She left her passport back home, and the only way she can enter Canada is by hitching a ride on a snowmobile and illegally crossing the border. Deciding to reinvent herself, Clara takes a new identity—Sara Livingston, a writer seeking solitude. But there's no avoiding the outside world. The residents are friendly, and draw Sara into their lives and confidences. She volunteers at the local medical clinic, using her midwifery skills, and forms a tentative relationship with a local police officer. But what will happen if she lets down her guard and reveals the real reason why she left her old life? One lesson soon becomes clear: no matter how far you run, you can never really hide from your past.
