

The Log of a Noncombatant (WWI Centenary Series) (Paperback)

Filesize: 2.89 MB

Reviews

This publication will be worth purchasing. It really is written in simple terms instead of difficult to understand. It has been designed in an exceptionally simple way and is particularly only right after I finished reading this ebook in which basically modified me, after the way I believe.

(Prof. Loyce Runolfsson Jr.)

Last Post Press, United States, 2014. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. In the following pages the ego is thickly spread. Their publication is the result of persuasion from many sources that, before returning to the war zone, I should put into connected form my personal experiences as correspondent during the first year of the War of Nations. A few of these adventures were mentioned in news letters from the Continent, where I limited myself so far as possible to descriptions of armies at war and peoples in time of stress; but the greater part of them were merely jotted down from time to time for my own benefit in The Log of a Noncombatant. This book is part of the World War One Centenary series; creating, collating and reprinting new and old works of poetry, fiction, autobiography and analysis. The series forms a commemorative tribute to mark the passing of one of the world s bloodiest wars, offering new perspectives on this tragic yet fascinating period of human history. Each publication also includes brand new introductory essays and a timeline to help the reader place the work in its historical context.
