Createspace Independent Publishing Platform, United States, 2016. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. The stories collected in Under the Shadow of Etna are drawn from the Sicily of Giovanni Verga's childhood, reported at the time to be the poorest place in Europe. Verga's style is swift, sure, and implacable; he plunges into his stories almost in midbreath, and tells them with a stark economy of words. There's something dark and tightly coiled at the heart of each story, an ironic, bitter resolution that is belied by the deceptive simplicity of Verga's prose, and Verga strikes just when the reader's not expecting it.
