Waterhouse Press, United States, 2018. Paperback. Condition: New. Language: English . Brand New Book. Blake Monroe hasn t had the easiest life, but she s never been one to dwell on her misfortunes, preferring to see the world as a place where you get what you give. Having had an especially troubling childhood, Blake s aware she doesn t exactly fit the definition of normal. Her lack of filter, dry sense of humor, and uncanny ability to read people make her rather unique-and difficult to live with. When her latest roommate has had enough of her antics, Blake decides living with a man might suit her better. Gavin Gibson s a dreamer whose artsy aspirations don t meet the high expectations of his wealthy family. Cast off and cut off, Gavin needs a place to live. When he s invited to share Blake s quaint apartment, he cannot pass it up. With a knack for spotting the good in others, Gavin can see past Blake s quirks-and neither of them can ignore their sexual chemistry. As sparks fly, their genuine affection for each other grows, and Gavin begins to break down Blake s defenses. But can Blake open up to reveal the damage she s worked so hard to conceal?.
