

The Art of Compromise: Aural Piano Tuning (Paperback)

By James Musselwhite

Createspace Independent Publishing Platform, 2004. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. This book is an introduction to the art of piano tuning, a handy and interesting skill to have. You can use this skill to make pocket money, or a full-time income. However, to be a bad piano tuner is a sacrilege. As professionals we strive to not only be good at what we do, but educate the public as well. To tune a piano poorly in order to make a quick buck is not only cheating the customer out of their money, but also robbing them of the experience of having a properly tuned instrument. This can cause students to lose interest, owners to lose trust, and fellow tuners to lose respect. To be a Professional Piano Tuner, you must strive to be as skilled, honest, and informative as possible. Included in this volume is an overview of how music itself works - a guide to going about learning enough about music so that it can add to the skill set needed to be a good piano tuner! Among the topics covered in this book are: The Mechanics of Tuning Hammer...
