

Piano Teaching: Its Principles and Problems (Classic Reprint)

By Clarence G Hamilton

Forgotten Books, United States, 2015. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.Excerpt from Piano Teaching: Its Principles and Problems I am frequently asked by students who are starting out on their own account as piano teachers, or who have had some experience in some such work, for advice concerning knotty problems which they are encountering. Realizing that there is an almost total lack of available and systematic literature to which I can refer them, I have attempted to supply this deficiency in the following pages. In doing so, I have constantly borne in mind actual questions which have been propounded to me concerning the subjects discussed. To these I have not attempted to give encyclopedic answers, but have simply suggested directions in which solutions may be discovered by the ingenuity of the teacher. Some few of the ideas thus brought forward I have gleaned from writings on the subject; many have come from my teachers and other friends in the profession; while the remainder have occurred as the fruit of my own labors. None of them, therefore, are advocated merely from a theoretical course of reasoning, but all...
