Dorrance Publishing Co., United States, 2017. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. Jake Hawks is a new upcoming storyteller. His book The Adventures of Jake Hawks: The Bigfoot Saga had me mesmerized. Once I started it, I could not put it down. I cannot wait for his next story to come out. -Maryann B. Jake Hawks knows Bigfoot are real. He s been reading about them for years. When he and some friends encounter some strange things in the woods on a fishing trip, Jake knows the time has come for him to prove the existence of Bigfoot once and for all. Will Hawks be able to assemble a team of outdoorsmen capable of snaring a Bigfoot in the back country? Will Hawks be able to finance his expedition? Read on to see what happens when theories are tested in the wild. About the Author Jake Hawks has been interested in Bigfoot since the 1970s, and has been an avid reader of all Bigfoot literature. He has developed his own theories about the mythical creature, which he has taken into the field to test. Once Hawks began to have sequential dreams, he felt inspired to begin writing this adventure story. Hawks was raised on Long Island in New York, but has retired to New Mexico, where he loves fishing, being outdoors, and spends his time golfing (when he s not writing, of course).
