The Expository Dictionary of Bible Words gives readers the fruits of a working knowledge Hebrew and Greek without the years of language study. The Expository Dictionary of Bible Words is more than just a handy and thorough alphabetical guide to the English translation of the Hebrew and Greek words used in both Testaments. There are thousands of articles, all arranged alphabetically by English word and coded to Strong's numbering system for ease of use. Each article is divided into two sections -- Old Testament (Hebrew) Words and New Testament (Greek) Words -- with an entry for the Hebrew or Greek word along with its transliteration, translation, range of meaning(s), and comments on its use in different biblical contexts. A comprehensive system of cross-references aids the reader in finding different words as well as discussions of related words and themes.
