SIMULATIONS (PAPERBACK)

AUTONOMEDIA, United States, 1984. Paperback. Condition: New. Language: English . Brand New Book. Baudrillard s bewildering thesis, a bold extrapolation on Ferdinand de Saussure s general theory of general linguistics, is in fact a clinical vision of contemporary consumer societies where signs don t refer anymore to anything except themselves. They all are generated by the matrix. Simulations never existed as a book before it was translated into English. Actually it came from two different bookCovers written at different times...

Reviews

Completely among the best publication I have got at any time go through. I have got go through and so i am confident that i will likely to read again once more down the road. It is extremely difficult to leave it before concluding, once you begin to read the book.
