GROWTH HORMONE (GH) IS A HOT TOPIC. It seems that all of the movie stars, celebrities, and body-builders are taking it, and they look fantastic. Baby boomers interested in anti-aging are taking it and saying that it keeps them young. But you may have heard that it is expensive. . . and dangerous. So whats the story What are your options Do you need it Should you take it How do you use it Can you afford it How can you raise GH naturally Secrets About Growth Hormone, shows you how Growth Hormone levels drop as we get older, when to intervene, and what treatment options are available to optimize your health. Carefully read this book before making any decisions about using GH supplements. I wish that I had been given this information eight years ago when my friends were encouraging me to inject a Growth Hormone stimulator to help me feel better. My problem was that I had finally collapsed into utter exhaustion, unable to do much of anything for months at a time. I felt hopeless, angry, and confused. So I decided to give the Growth Hormone stimulator injections a try. They made me feel fantastic! But two months later, I ended up in a dreadful surgery to remove a deadly cancer from my nose. Luckily, the universe gave me a second chance at life. I made a decision right then and there to find out everything that I could about hormones before I ever messed around with my own hormones again. In my search for answers, I discovered that: My health problems were primarily caused by my hormones. My doctors knew...
