Reviews

This book will not be simple to get going on reading but extremely exciting to read through. Yes, it can be play, still an interesting and amazing literature. I am very easily could possibly get a delight of reading a written book.
(Rene Olson)

THE CLOUD OF NOTHINGNESS

Springer-Verlag Gmbh Nov 2016, 2016. Buch. Condition: Neu. Neuware - This book explores 'nothingness', the negative way found in Buddhist and Christian traditions, with a focused and comparative approach. It examines the works of Nagarjuna (c. 150 CE), a Buddhist monk, philosopher and one of the greatest thinkers of classical India, and those of John of the Cross (1542-1591), a Carmelite monk, outstanding Spanish poet, and one of the greatest mystical theologians. The conception of nothingness in both the thinkers points to a paradox of linguistic transcendence and provides a novel insight into via negativa. This is the first full-length work comparing nothingness (emptiness) in Nagarjuna (Mahayana Buddhism) and John of the Cross (Christianity) in any language. It augments the comparative approach found in Buddhist-Christian comparative philosophy and theology. This book is of especial interest to academics of Buddhist and Christian studies searching for avenues for intellectual dialogue. 181 pp. Englisch.
