Groundbreaking understanding of free will, power, the sexual nature of man and woman, and what it takes to actualize society s potential in order to bring true happiness. Contents: Preface- Understanding the necessity of working with subjectivity. Introduction- The Question: Should I continue to exist? Basis of philosophical thought in creating an existence that allows humanity to thrive. Section 1: Welcome to Not Nothing- The duality of human nature- rejection and destruction, or acceptance and building given the inherent structure of existence which is- We have free will, we are not all powerful, we are not all knowing, and we experience the universe with a biological framework and consciousness. Section 2: Destruction and Building- Cultivating power, facing powerlessness. Path of destruction involves a lack of self-control, courage, wonder, and/or humor, with the person succumbing to powerlessness through either wrath, depression, madness, hedonism, or ignorance due to the lack. Path of building involves self-control, courage, wonder, and a sense of humor. Section 3: Power, Biology and Society- Maintaining a strong society(and individual) through a balancing of the pursuance of our animalistic nature...
