Explores reading and writing skills at the advanced level, with emphasis on process The Master Reader/Writer offers a balanced approach to literacy by bringing instruction for reading and writing together in one resource. As similar and complementary communication processes, reading and writing both have recursive before, during, and after phases and the outcome of both is that the individual constructs his or her own meaning. This text builds on these similarities. Continuing the success of the first book in this series, The Effective Reader/Writer, the revolutionary design of The Master Reader/Writer reinforces the writing, reading, and thinking processes by showing students visually how they are interconnected. Students have ample practice to focus on individual skills, along with challenging writing situations in which to apply these skills...
