HarperCollins Publishers, United Kingdom, 2008. Paperback. Book Condition: New. Film tie-in ed. 192 x 128 mm. Language: English . Brand New Book. Jumper: Griffin s Story was written by Gould to compliment the 2008 film Jumper starring Samuel L Jackson. The novel explores the life of Griffin O Connor as he uses his teleportation powers to hunt his parents murderers. Rule One: Never jump where someone can see you. Rule Two: Never jump near home. Rule Three: Never jump to or from the same place twice. Rule Four: Only jump if you have, only if they find you. The first time it happened, Griffin O Connor was only five years old; he jumped from the steps of the Martyr s Memorial in Oxford, in front of a busload of tourists. The second time it happened his family had to cross an ocean to protect his secret. But four years later Griff accidentally broke his parent s rules and jumped again. That night the men from Oxford found them, and by morning his parents had been murdered, leaving Griff alone, wounded and only nine years old. Griffin grows up with only two goals: to survive, and to kill the people who want him dead. And a Jumper bent on revenge is not going to let anything stand in his way.
