

Relocation in Later Years: Aging-In-Place in America s Urban Neighborhoods (Paperback)

Filesize: 1.97 MB

Reviews

A really wonderful book with lucid and perfect reasons. This can be for all who statte there was not a worth reading through. You are going to like how the author write this book.
(Dr. Grady Jacobi DDS)

RELOCATION IN LATER YEARS: AGING-IN-PLACE IN AMERICA S URBAN NEIGHBORHOODS (PAPERBACK)

iUniverse, United States, 2006. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.American society will soon be overwhelmed with the number of older adults over the age of sixty-five. The question is, where will they live? The answer is many will live in urban neighborhoods by choice or by default. American Society has a long history of assisting older people in the form of social security, meals for shut-ins, and medical insurance. However, Americans have fallen short in one arena that has a profound impact on the quality of day-to-day living - housing. Housing that is well-designed, suitably located, and affordable contributes to the ability of an older person to maintain his or her independence and age in place. The current housing options available in urban neighborhoods are limited and becoming a crucial factor in determining the physical, social, and emotional well-being of older adults. Relocation in Later Years: Aging-in-Place in America s Urban Neighborhoods provides strategies to retain and attract older adults to urban neighborhoods through the development of elderly-friendly neighborhoods and age-sensitive housing that allows older adults to age in place.
