## SIGNS OF CONTACT

Shasti Association. Paperback. Condition: New. Dimensions: 9.0in. x 6.0in. x 0.3in. These writings demonstrate his remarkable ability to re-frame and re-interpret ancient spiritual truths and to place them in a contemporary form while also addressing issues not usually discussed in spiritual teachings, such as: our relationship to the environment, and the mineral, animal and vegetable kingdoms; the negative karmic burden that we carry from the history of slavery and the genocide of indigenous peoples; and the nature of spiritual work in groups, for example. He also addresses issues of healing, a larger vision of astrology, the esoteric nature of symbols, sound and colors, the divine feminine, the emerging New Humanity and its Communities-of-Light. Signs of Contact, along with his other books is a goldmine of information on these and other topics. In summary, there is much to learn in this book for those of us who are interested in these topics, whether or not we personally accept the possibility of transmutation itself. Finally, in addition to his writings and lectures, his over 40 years of ceaseless spiritual work is given practical expression through the work of the Fraternity International Humanitarian Federation which hosts intentional Communities-of-Light in South America and Europe, in humanitarian service efforts to balance the karmas of peoples and with nature, through the work of the Grace Mercy Order (an independent, ecumenical Christian monastic order) and its monasteries, in over 250 active prayer groups in over 30 countries, and through contemporary encounters or Apparitions of the Divine Mother in Her form as Mary. Many of the spiritual servers in these organizations have accompanied Trigueirinho in his journey for many years and personally witnessed the transformations that he describes in this book. This work now comes to us from South America, to enlighten us, enliven us, and to align us...
