Brand New Book ***** Print on Demand *****.Inspired by the popular and intimate virtual world of Second Life(R), The Perfect Flower is a powerful collection of poetry from a woman who experienced the magnetic pull of this virtual reality game. When Clare Abbey entered this new and exciting place, she hoped to find her perfect flower. It symbolized the friendship and love she longed for in her real life. But while Clare found her perfect flower in Second Life(R), the journey took her from perfect bliss to painful heartache. Her distinct and succinct writing style perfectly complements the beautifully crafted oil paintings, based on Second Life(R) graphics, which illustrate the book. Whether she chronicles the heart wrenching misery of lost love or draws a curious parallel between fact and fiction, Clare s vivid imagery weaves an intricate tapestry of emotion both from her real life and from Second Life(R), opening up a world of imagination. Immerse yourself in The Perfect Flower and awaken your senses to another kind of reality.
